• ABOUT ME

Highly motivated Full-stack Web Developer with a strong foundation in HTML5, CSS3, React, JavaScript, Node and mySQL. Former mathematics teacher, bringing analytical thinking, problem-solving, and communication skills to deliver exceptional web experiences. Eager to contribute to Your Company's success with a passion for innovation and user-centric solutions.

• WORK EXPERIENCE

08/01/2021 – CURRENT Ohio, United States
WEB DEVELOPER TABOR ANALYTICS LLC

- Developed reusable components and services using React to build interactive user interfaces following a component-based architecture.
- Resolved UI issues by utilizing HTML, CSS, and AJAX, ensuring smooth and responsive user experiences.
- Designed and implemented front-end applications and web pages using modern web technologies such as HTML, CSS, JavaScript, and React.js.
- Leveraged ES6 features like arrow functions and classes to enhance the readability and maintainability of the JavaScript codebase.
- Collaborated with designers to create visually appealing graphics and images optimized for various platforms.
- Implemented user interface guidelines and standards, consistently applying React.js and CSS3 best practices throughout development and maintenance.
- Implemented authentication and authorization security using technology like JSON Web Tokens within a Node.js and React.js environment.
- Utilized Express.js to develop RESTful APIs, enabling efficient communication between the front-end and back-end. Integrated with databases such as MongoDB and MySQL to store and retrieve data for React.js applications.
- Demonstrated proficiency in testing RESTful APIs using tools like Postman to validate functionality and performance.
- Followed agile development methodologies, collaborating with cross-functional teams to deliver high-quality React.js applications within project timelines.
- Actively participated in the software development life cycle (SDLC), ensuring the successful planning, development, and deployment of React.js projects.
- Stayed updated with the latest advancements in React.js and related technologies to continuously improve development practices and deliver cutting-edge solutions.

01/02/2020 – 05/19/2021 Addis Ababa, Ethiopia
WEB DEVELOPER MIRACLE LLC

- Developed responsive web applications using modern front-end framework, React.
- Built layouts according to customer parameters using HTML5 and CSS3.
- Integrated third-party APIs and services to enhance functionality of web applications.
- Implemented improvements to boost site performance.
- Established hosting for each website and completed go-live process by uploading sites to host account.
- Used JavaScript libraries like jQuery Collaborated with design team to create user-friendly and visually appealing interfaces.

09/12/2017 – 07/13/2019
MATHEMATICS TEACHER

- Instructed students and supported understanding of math concepts.
- Prepared, administered and graded assignments and examinations.
- Instructed students and supported understanding of math concepts.
- Prepared, administered and graded assignments and examinations.
- Taught various kinds of math at standard, remedial and advanced levels.
- Assessed student progress with course material through routine quizzes, final examinations and standardized assessments.
- Managed consistent, learning-focused classroom environments by establishing and communicating clear objectives for students. EXPERIENCE
- Delivered clear, informative lectures on subject matter framed to meet state standards.
- Utilized my strong mathematical foundation to enhance problem-solving abilities and optimize code performance in web development tasks.
- Leveraged understanding of algorithms for efficient data handling.
- Applied geometric concepts for creating complex CSS transformations and responsive designs. Utilized knowledge of set theory and logic in database query construction. these mathematical skills contributed to more efficient and effective my web development practices

EDUCATION AND TRAINING

Maryland, United States
FULL-STACK WEB DEVELOPMENT Evangadi Teck
